

2006 TOWN PARKING PERMIT

The annual Town Parking Sticker allows permanent residents of the Town and non-resident property owners to receive a Town Parking Sticker if they desire, at no charge and good till end of year. There is no parking allowed on the streets of Southern Shores except for those streets where there is a Town sign marking designated Town parking areas. This sticker allows you to park in those designated Town parking areas which are primarily at beach accesses. You cannot park in these areas without a Town Parking Sticker and violators will be ticketed. The Town Parking Sticker is not valid in private parking areas such as those operated by the Southern Shores Civic Association or the Chicahawk Property Owners Association, both of which have their own systems of parking passes for their properties. To obtain a current year Town Parking Sticker, complete an application forms below for each vehicle owned by the permanent resident or property owner and bring them to the Town Hall. (Office hours are 8:30 AM to 5PM, Monday thru Friday.) You are welcome to duplicate forms, if needed. If you wish to send in your applications, mail them to the Town Hall at 6 Skyline Road, Southern Shores, NC 27949 enclosing a self addressed return envelope.
